Re: Publication of Member Discharges in Bankruptcy (Your July 17, 1992 Letter)

Dear Mr. Anderson:

You asked whether a federal credit union (FCU) can publish in its newsletter the names of members who have caused the FCU a loss through bankruptcy. We believe such publication would violate Article XIX, Section 2 of the standard FCU bylaws. Enclosed is an earlier opinion addressing this specific issue.

Sincerely,

Hattie M. Ulan  
Associate General Counsel
