Register Now For Tomorrow's Corporate Stabilization Webinar

June 23, 2009, Alexandria, Va. – The National Credit Union Administration encourages credit unions to participate in tomorrow's, June 24th webinar designed to provide details of Board actions taken in June that affect corporate stabilization and establishment of the temporary corporate stabilization fund and its impact on credit unions. Nearly 3,000 have already registered for the webinar that will include a corporate credit union update and also address participant questions. Webinar details follow.

WHO: Examination and Insurance Director Melinda Love and Office of Corporate Credit Union official Scott Hunt will host the webinar.

WHAT: The free, 2 hour webcast for credit unions will include a discussion of recent events concerning corporate credit unions and provide implementation guidance to credit unions related to the new corporate stabilization fund.

WHEN: 1 p.m. EDT, Wednesday June 24

To Register: Participants can register until 12:45 p.m. EDT on Wednesday, June 24th. To register, click the link: <http://event.on24.com/r.htm?e=150888&s=1&k=0D8E87BB3CA2EC01568B8D96662B0190>

Registrants must provide first name, last name, organization, and email address. Once registered, participants will receive event verification and a link to access the webcast. Prior to start of the webcast, participants should ensure volume is turned on, webcast pop-ups are permitted, and screen resolution is set to 1024 x 768.

How to Submit Questions: Participants can submit questions throughout the webcast via the Internet. Instructions will be provided at the beginning of the webcast. The presenters will address as many of the questions as possible. NCUA will archive the webcast and make it available on our website at www.NCUA.gov for future viewing. This archive should be available by Thursday, June 25, 2009.

The National Credit Union Administration charters and supervises federal credit unions. NCUA, with the backing of the full faith and credit of the U.S. government, operates and manages the National Credit Union Share Insurance Fund, insuring the accounts of 89 million account holders in all federal credit unions and the majority of state-chartered credit unions. NCUA is funded by credit unions, not federal tax dollars.
