NCUA Amends Board Meeting Agenda

September 22, 2009, Alexandria, Va. – The National Credit Union Administration (NCUA) Board has added an agenda item, “Revisions to Temporary Corporate Credit Union Liquidity Guarantee Program,” to the previously announced open meeting scheduled for Thursday, September 24, 2009, at 10 a.m. An additional “Supervisory Activity” item was also added to the closed agenda.

A revised meeting agenda is available online at: [click here](#).

The National Credit Union Administration charters and supervises federal credit unions. NCUA, with the backing of the full faith and credit of the U.S. government, operates and manages the National Credit Union Share Insurance Fund, insuring the accounts of nearly 90 million account holders in all federal credit unions and the majority of state-chartered credit unions. NCUA is funded by credit unions, not federal tax dollars.
