October 5, 2009, Alexandria, VA. – NCUA Board Member Michael E. Fryzel recently welcomed United Nations Federal Credit Union President Michael J. Connery and Board Chairman Alan Potter to NCUA headquarters in Alexandria, Virginia.

“It is encouraging to see a credit union continue to address the challenges of our changing economy,” stated Fryzel. “I was pleased to learn of the efforts being made by the credit union in the states and internationally to address the diverse issues they face. They are a unique financial institution that is always exploring new ways to meet the needs of their diverse membership.”
