March 24, 2010, Alexandria, Va. – The National Credit Union Administration is now on Twitter. Join the conversation on Twitter at www.twitter.com, and you'll be able to track the latest news and happenings at NCUA.

After logging on, select to follow **TheNCUA**.

The National Credit Union Administration charts and supervises federal credit unions. NCUA, with the backing of the full faith and credit of the U.S. government, operates and manages the National Credit Union Share Insurance Fund, insuring the accounts of 90 million account holders in all federal credit unions and the majority of state-chartered credit unions. NCUA is funded by credit unions, not federal tax dollars.
