### **NCUA Revises April Board Meeting Agenda**

**April 27, 2010, Alexandria, Va.** -- The National Credit Union Administration (NCUA) April Board meeting agenda has been modified. Two items have been added to the closed session -- an additional supervisory activity and an additional personnel matter.

The revised agenda for this week's meeting is available online [here](#).

*The National Credit Union Administration charters and supervises federal credit unions. NCUA, with the backing of the full faith and credit of the U.S. government, operates and manages the National Credit Union Share Insurance Fund, insuring the accounts of over 90 million account holders in all federal credit unions and the majority of state-chartered credit unions. NCUA is funded by credit unions, not federal tax dollars.*
