# Yolles Named Region III Director

*Temporary Assignment Through December 2010*

**June 9, 2010, Alexandria, Va.** — The National Credit Union Administration (NCUA) announces today that Herb Yolles has been selected to serve as temporary regional director of Region III through the remainder of 2010.

Yolles joined NCUA in 1978. His NCUA career has featured a variety of roles ranging from chief financial officer, deputy director of Examination and Insurance, president of the Central Liquidity Facility, and Inspector General. Most recently he was associate regional director of Operations in Region II.

*NCUA is the independent federal agency that regulates, charters and supervises federal credit unions. With the backing of the full faith and credit of the U.S. government, NCUA operates and manages the National Credit Union Share Insurance Fund, insuring the deposits of over 90 million account holders in all federal credit unions and the majority of state-chartered credit unions. NCUA is funded by credit unions, not taxpayer dollars.*
