NCUA Amends 2011 Board Meeting Schedule

February 7, 2011, Alexandria, Va. -- The 2011 National Credit Union Administration (NCUA) Board meeting schedule has been revised. The September meeting has been changed from September 15 to September 22.

The revised Board meeting schedule is available online at <http://www.ncua.gov/about/BoardActions/Pages/BDMtg2011.aspx>.

The National Credit Union Administration charters and supervises federal credit unions. NCUA, with the backing of the full faith and credit of the U.S. government, operates and manages the National Credit Union Share Insurance Fund, insuring the accounts of over 90 million account holders in all federal credit unions and the majority of state-chartered credit unions. NCUA is funded by credit unions, not federal tax dollars.
