Subject: Proposed Interagency Policy Statement Establishing Joint Standards for Assessing the Diversity Policies and Practices of Regulated Entities
Date: Monday, February 03, 2014 2:12:08 PM

Dear Ladies and Gentleman,

TEXAR federal Credit Union is not against having a diverse workforce. However, adding to the litany of requirements and mounting regulations must stop at some point or we will be spending our entire day on issues that do not benefit our members or our communities. Please evaluate carefully the load you would be adding to credit unions when I am unaware of problems this would correct.

Kelly Mitchell
President/CEO
