Dear Secretary of the Board Poliquin,

At a time when Congress is squabbling and not accomplishing, it is much appreciated that there are agencies such as the National Credit Union Administration that continue to fulfill their missions. In that vein, I would like to extend my appreciation for and support of the Board's recent proposal intended to comport the agency's regulations with the statutory language of the Federal Credit Union Act regarding credit union membership eligibility.

Please finalize your proposed changes and do what's best for the consumers in this country.

As an employee of Oregon State Credit Union, I understand how vitally important it is for Americans to have a not-for-profit, cooperative choice in the financial services market. I support and appreciate the National Credit Union Administration's proposed Field of Membership policy modifications which will give more Americans the opportunity to join a credit union. Everyone should have access to affordable financial services, and this is a progressive step in the right direction!

Sincerely,

Gail Lichtenthaler
