Subject: Comments on Proposed Rule, Appendix B of Part 701, Chartering and Fields of Membership
Date: Thursday, November 19, 2015 6:10:07 PM

Dear Secretary of the Board Poliquin,

As a long time member and employee of my local credit union I value the option we offer to our field of membership when choosing where they wish to have their financial relationship. This country is build on freedom of choice and the field of membership rule will support this ideal for freedom of choice.

I support the work of the National Credit Union Administration to increase the availability of financial products and services to consumers. The reasons consumers choose to become members of a credit union are much different than the reasons some choose to use a bank. Credit unions care about their members. In that connection, I support the Board's proposed rule change that will enhance consumers' ability to choose a credit union as their financial partner.

It is important that the Board make the right choice and adopt the proposed rule; the Board should not be dissuaded by pressure, political or otherwise, from choosing what is right for America's credit unions and their millions of members.

Sincerely,

Patti Ferry
