Dear Secretary of the Board Poliquin,

As we've seen through the recession, credit unions stood strong and were there for the American people. It is even more critical for all Americans to be able to have the choice of a credit union. The NCUA proposal would allow for expansion to the Field of Membership and give more Americans the choice of a credit union.

I support this proposal and consider it towards making sure that credit unions can fully serve their communities.

Sincerely,

Tiffany Shirley
