Dear Secretary of the Board Poliquin,

Recently, NCUA proposed changes to its rules governing who can belong to a credit union and I am writing today to voice my strong support for these changes. Even though I know my credit union, like others, has changed with the times over the years, it still is focused on providing me with the financial services I need and on great member service. I believe that more consumers and small businesses should have the ability to benefit from credit unions' not-for-profit services and I commend NCUA for taking steps to be sure that credit unions can thrive into the future.

Sincerely,

John W. Sturm
