Dear Secretary of the Board Poliquin,

The National Credit Unions Administration's field of membership rules are far too strict. There are many consumers that cannot join my credit union because they do not live in my community. The proposed field of membership rule will allow my credit union to expand into other areas of our community. This will allow many people better access to critical financial services, which will improve their lives for the better.

Please pass this rule as soon as possible so that our friends and neighbors can have the freedom of consumer choice to join my credit union and also improve their economic health.

Sincerely,

Carol Wilson
