Subject: Comments on Proposed Rule, Appendix B of Part 701 - Chartering and Fields of Membership
Date: Friday, December 11, 2015 10:20:05 AM

Dear Secretary of the Board Poliquin,

I support the National Credit Union Administration's proposed field of membership rule. I think that more American's should have access to credit unions because credit unions operate for the benefit of member owners and not shareholders. As a credit union member, I know that my credit union is always looking out for my best interests while offering me all of the banking services that I need.

Please implement this field of membership as soon as possible.

Sincerely,

Kay Serine
