Subject: Jason Landry Comments on the Notice of Proposed Rulemaking Regarding Associational Common Bond
Date: Thursday, December 17, 2015 10:20:21 AM

Dear Secretary of the Board Poliquin,

I support the work of NCUA to help more consumers have access to affordable and convenient financial services.

The rule change will allow our Credit Union more flexibility to serve more consumers in our local communities.

I encourage you to finalize your proposal so more consumers have access to low cost financial services.

Sincerely,

Jason Landry
