Dear Secretary of the Board Poliquin,

I have worked at the same federal credit union for 35 years. I helped fight for HR 1151, my CU went from a single sponsor to a limited community charter. We are stuck for growth. Unless the rules get changed, we can't open our great credit union to other counties. Please consider changing the rules. Let us add to our membership, let us grow. Credit Unions are needed. There are so people now that don't have access because they might live in the wrong area or work at the wrong place. Let us share our philosophy people helping people. Do the right thing.... Thank you for your time in listening to me.

Sincerely,

Diane Miller
