Dear Board Secretary Polquin,

As a credit union member, I appreciated the fact that my credit union was there for folks like me during the financial crisis. I understand that not everyone can join a credit union because of strict membership rules imposed by your agency. I fully support changes to these rules that allow more people in my community to join my credit union. I appreciate the efforts that the National Credit Union Administration is taking to make it easier for credit unions to serve more Americans. I hope you will finalize your proposal as soon as possible.

We need credit unions doing more of what they're doing. Your proposal makes that possible.

Sincerely,

Jerry & Dianna Beasley
