Subject: Comments on Proposed Rule Chartering and Fields of Membershi
Date: Saturday, February 06, 2016 8:20:06 AM

Dear Secretary of the Board Poliquin,

If Banks had better customer service and cared about the little people instead of BIG Businesses maybe they wouldn't have to keep trying to get rid of the completion!

I support the National Credit Union Administration's proposed field of membership rule. I think that more American's should have access to credit unions because credit unions operate for the benefit of member owners and not shareholders. As a credit union member, I know that my credit union is always looking out for my best interests while offering me all of the banking services that I need.

Please implement this field of membership as soon as possible.

Sincerely,

Pearl Dillon
