Dear Secretary of the Board Poliquin,

As a retired teacher and American, I appreciate the ability to park my money in the financial institution I deem most appropriate. Therefore, I support the changes contemplated by the National Credit Union Administration (NCUA) that are intended to ensure consumers have adequate choice when determining which credit union to become a member of.

I strongly urge the NCUA to finalize their proposed changes and make the marketplace equitable for all consumers in this country.

Sincerely,

jennifer herring
