Subject: Comments on Proposed Rule, Appendix B of Part 701
Date: Thursday, February 04, 2016 9:10:07 AM

Dear Secretary of the Board Poliquin,

I am pleased to submit comments to the National Credit Union Administration on the Board's proposal to expand Field of Membership opportunities for federal credit unions, without jeopardizing safety and soundness or disregarding any applicable statutory constraints under the Federal Credit Union Act.

I believe that the changes the NCUA Board is recommending will be positive for credit unions, their members and other consumers that seek credit union service.

Sincerely,

pam mckerley
