Dear Secretary of the Board Poliquin,

At a time when an ineffective Congress is divided on many issues, it is important to note that there are still agencies such as the National Credit Union Administration that continue to fulfill their missions. I appreciate and support the Board's recent proposal intended to comport the agency's regulations with the statutory language of the Federal Credit Union Act regarding credit union membership eligibility.

Please finalize your proposed changes and do what's best for the consumers in this country by leveling the playing field between banks and credit unions.

Sincerely,

Carole Sumption
