Subject: Appendix B of Part 701 - Chartering and Fields of Membership
Date: Friday, February 05, 2016 10:50:09 AM

Dear Secretary of the Board Poliquin,

The National Credit Unions Administration's field of membership rules are far too strict. I have many friends that cannot join my credit union because they do not live in my community. The proposed field of membership rule will allow my credit to expand into other areas of our community. This will allow many people better access to critical financial services, which will make their lives better.

I would like to add that for years I was a Bank of America customer, but it was a constant struggling with the unfair practices; but everything changed when I was able to become a member of my credit union. That was my best decision ever. Now you know why I am for braking up the Big to Fail corrupters.GO BERNIE!

Please pass this rule as soon as possible so that our friends and neighbors can join my credit unions and also better their economic health

Sincerely,

Jose Mojica Otero
