Dear Secretary of the Board Poliquin,

I am writing you to support the National Credit Union Administration's (NCUA) recent proposed rule on field of membership for the Nation's credit unions. Over 480,000 Nebraskans have joined a credit union to serve their financial needs including savings, home ownership, transportation, starting or growing their small business, and building wealth for their retirement.

The NCUA's proposal provides the opportunity for more Nebraskans to join a credit union and therefore gives consumers more options when it comes to their financial future.

I urge the passage of the proposed rule so that more Nebraskans can join a local credit union. Thank you for your consideration.

Sincerely,

Brandon Luetkenhaus
