RE: Comments on Notice of Proposed Rulemaking for Field of Membership - RIN: 3133-AE31

Dear Gerald Poliquin,

The National Credit Union Administration Board (NCUA) is proposing to amend part 701 of its rules and regulations to make revisions to the agency's chartering and field of membership manual.

I am writing on behalf of L.E.O. Credit Union, which serves the Lubrizol Corporation Employees, Retirees, Subsidiaries, and their families, WORLDWIDE, to express support for NCUA's proposed field of membership rule.

"PEOPLE HELPING PEOPLE"...The Credit Union Motto! Always has been, always will be.

All of the proposed changes listed in the Field of Membership reform have to do with "PEOPLE HELPING PEOPLE." L.E.O. Credit Union supports these changes. Helping people financially has always been the philosophy of the **Credit Union Movement**. The changes in the proposal are **moving** in the right direction of allowing credit unions to do their job...helping people.

Thank you for the opportunity to comment on this proposed rule and for considering our views on Field of Membership. We urge the agency to approve a final rule soon so that credit unions can take advantage of the regulatory relief and field of membership flexibility in the proposed rule.

Sincerely,

Beth Patla
Chief Executive Officer
