Subject: Comments on Proposed Rule Chartering and Fields of Membershi
Date: Thursday, February 04, 2016 4:00:19 PM

Dear Secretary of the Board Poliquin,

I support the National Credit Union Administration's proposed field of membership rule. I think that more Americans should have access to credit unions because credit unions operate for the benefit of member owners and not shareholders. As a credit union member, I know that my credit union is always looking out for my best interests while offering me all of the banking services that I need.

Please implement this field of membership as soon as possible. I've been with Utilities Employees Credit Union for a lengthy time during employment and retirement and they can't be beat. All Americans should have access to credit unions as an alternative as well as supplement to banks.

Thank you for your consideration of this matter.

Sincerely,

Joanne Tomb
