Dear Secretary of the Board Poliquin,

Thank you for this opportunity to comment on the proposed rule. As a credit union volunteer I have the opportunity to witness first hand the profound impact the our credit union has on the communities that we serve.

At a time when Congress is squabbling and not accomplishing, it is much appreciated that there are agencies such as the National Credit Union Administration that continue to fulfill their missions. In that vein, I would like to extend my appreciation for and support of the Board's recent proposal intended to comport the agency's regulations with the statutory language of the Federal Credit Union Act regarding credit union membership eligibility.

Please finalize your proposed changes and do what's best for the consumers in this country. Everyone should have access to high quality credit union financial services.

Thank you for your thoughtful consideration.

Sincerely,

Kevin L. Loso
