Subject: Comments on Proposed Rule Chartering and Fields of Membershi
Date: Thursday, February 04, 2016 4:00:22 PM

Dear Secretary of the Board Poliquin,

I support the National Credit Union Administration's proposed field of membership rule. I think that more American's should have access to credit unions because credit unions operate for the benefit of member owners and not shareholders. As a credit union member, I know that my credit union is always looking out for my best interests while offering me all of the banking services that I need. Credit union co-ops offer access to banking services all over the country with little to no fees no matter where you are or where your credit union is located. Banks do not offer this option of convenience.

Please implement this field of membership as soon as possible.

Sincerely,

Kevin McDonald
