RE: Comments on Notice of Proposed Rulemaking for Field of Membership - RIN: 3133-AE31

Dear Gerald Poliquin,

The National Credit Union Administration Board (NCUA) is proposing to amend part 701 of its rules and regulations to make revisions to the agency's chartering and field of membership manual. I am writing to express support for NCUA's proposed field of membership rule.

It is important that consumers have easy access to a credit union, especially in rural states where there are many miles between communities. Please keep this proposed change in the final rule.

Thank you for the opportunity to comment on this proposed rule and for considering our views on Field of Membership. We urge the agency to approve a final rule soon so that credit unions can take advantage of the regulatory relief and field of membership flexibility in the proposed rule.

Sincerely,

Renee Lyman
