Dear Secretary of the Board Poliquin,

Dear Chairman Matz,

Your proposal on member business lending is a breath of fresh air! It's really unlike anything we see coming out of Washington these days. This proposal will reduce burden to spur lending. Regulatory burden has really been hurting my credit union and the entire industry. It has been difficult to lend to and serve our members, but with your help, we can see positive changes on the horizon!

The National Credit Union Administration is right on track with the Member Business Lending Proposal.

Thank you for all that you do!

Sincerely,

Molly Gary
