The Honorable Debbie Matz
Chairman
National Credit Union Administration
1775 Duke Street
Alexandria, VA 22314

Dear Chairman Matz:

I write in support of the National Credit Union Administration (NCUA) proposal to amend its member business loans (MBL) rule to give federally insured credit unions more flexibility and authority to make business and commercial loans to their members. While I support raising the MBL cap, which only Congress can do, this proposal is an important step.

Credit unions are an increasing source of capital for businesses, especially small businesses, and provide important services to individuals and businesses in the District of Columbia and across the country. This proposal will increase access to capital, helping to spur economic growth.

Thank you for issuing this proposal, and I urge its adoption.

Sincerely,

A handwritten signature in black ink, appearing to read "E. Norton".
