CU Post Exam Survey Pilot

Future questions suggested by Credit Unions and Examiners

- How did the examiner interact with staff and Board of Directors?
- Did the exam start and stop in a timely fashion?
- What could have been done better during the examination?
- Were there inefficiencies or difficulties with the offsite exam process?
- How was overall communication with examiners during the exam?
- Did the credit union find the examination useful? Was feedback helpful?
- Were the findings and plan for corrective action appropriate for the size and complexity of the credit union?

Insights and Feedback

- **Add more qualitative questions**
- **Value of using a third-party to administer the survey**
- **Communicate plans for dissemination and distribution of survey results**
- **Explore ways to increase participation**
- **Consider credit union asset size in determining survey questions**
- **Consider options to automate the survey process and to expand reporting**

Next Steps

- **Extended current pilot**
- **Determine next iteration of survey questions**
- **Additional communications**
- **Research third party vendors**
