RE: Comments Regarding Call Report/Profile Content Modernization

Dear Ms. Mary Thor,

I am writing on behalf of Fort Worth City Credit Union, which serves the City of Fort Worth. We have 13,400 members and \$189M in assets. FWCCU appreciates the opportunity to provide comments to the National Credit Union Administration (NCUA) regarding its request for information on Modernizing Data Collection for Supervision of Credit Unions.

In summary, it does not appear that the amount of data requested has decreased much. It seems that it's just a major reformat which will take time to get used to and therefore take more time to complete in the beginning. As I stated in the previous screen, we complete the report manually.

Thank you for the opportunity to comment on this request for information and for considering our views.

Sincerely,

Ron Fox
President
Fort Worth City CU
