Subject: Kaene Robie – Comments on Notice of Proposed Rulemaking for Part 701
Date: Tuesday, December 31, 2013 6:10:07 PM

Good afternoon,

I am writing in hopes that you will change your mind and vote allow federally chartered credit unions to continue to be ran out of their homes. We have the largest family credit union in the U.S., and have successfully run this out of one of our family's homes for the last 62 years. We have always treated the examiners with utmost respect, and understand the concern that has been raised.

Our credit union would be hit financially and would be in trouble if we had to move to a location outside of one of our homes. We look for your consideration and appreciate your vote on allowing credit unions to continue to be run from home offices.

Thank you,
Kaene Robie
Our Family Social Credit Union
