Subject: NEW RBC Proposals
Date: Saturday, April 26, 2014 10:40:15 AM

Ruin 3 generations of advantages that credit unions have enjoyed over their bank competitors. If these changes are put in place you will alter the trajectory of the Credit Union marketplace in a potentially irreversible manner. You are supposed to work with the Credit Unions and for them, not the other way around. We had a very popular radio show about this and I invite you to listen and anyone from NCUA is welcome to join us on the air.
