Dear Secretary of the Board Poliquin,

I am writing on behalf of First Connecticut Credit Union, which serves employees of small business throughout Connecticut. We have approximately 10,000 members and over \$38 million in assets. First Connecticut Credit Union appreciates the opportunity to provide comments to the National Credit Union Administration (NCUA) on its proposed rule, Prompt Corrective Action - Risk-Based Capital.

I believe this proposed rule will inhibit the growth of small credit unions that provide just the type of service that is needed when a financial crisis causes the "big banks" to pull back critical services to the people that need them most.

Thank you for the opportunity to comment on this proposed rule and for considering our views on risk based capital requirements.

Sincerely,

Susan J. Brown
