Subject: Comments on Proposed Rule, Appendix B of Part 701 - Chartering and Fields of Membership
Date: Thursday, November 19, 2015 5:00:06 PM

Dear Secretary of the Board Poliquin,

Credit unions are about representing the people and their needs. Credit Unions are part of "what's right" with our country and more access is a good thing.

As a board member of a state chartered credit union -- Oregon Community Credit Union -- I support expanding the field of membership for federal credit unions. Please join OCCU in supporting this important rule.

Thank you,

Sincerely,

K.C. Huffman
