Dear Secretary of the Board Poliquin,

I understand that the National Credit Union Administration is considering a proposal that would allow credit unions to serve more members. Well done! It's long past due for Washington to get out of the way and let credit unions serve Americans. Please finish your work as soon as possible so that more people can join credit unions!

And don't listen to the greedy big bank CEOs that don't want consumers to have access to credit unions. More consumers need diversity in the marketplace, competition benefits ALL the people which is why we elected you! Thank you for providing this choice for consumers and keep up the good work !

Sincerely,

John Dickinson Jr Jr
