Subject: Comments on Proposed Rule Chartering and Fields of Membershi
Date: Friday, February 05, 2016 2:30:12 PM

Dear Secretary of the Board Poliquin,

Please read...

I support the National Credit Union Administration's proposed field of membership rule. I think that more American's should have access to credit unions because credit unions operate for the benefit of member owners and not shareholders. As a credit union member, I know that my credit union is always looking out for my best interests while offering me all of the banking services that I need.

Please implement this field of membership as soon as possible.

Please implement.

Sincerely,

Richard A Foltman
