Dear Secretary of the Board Poliquin,

Thank you for supporting the Member Business Lending Rule. Credit Unions can be involved in an unlimited number of participation loans to unknown borrowers, but are limited in the amount of Business Loans that would support the members they exist to serve. It's a law that restricts the amount of help they can give to small businesses which doesn't make any sense. Your member business lending proposal is a step toward breaking through that insanity.

Credit unions have proven for years that they will stand by communities. If your proposal was the rule of the road, they would be able to do so much more to help the cities and communities they serve.

Thanks,

Sincerely,

Paul A Slater II
