Subject: Comments on Proposed Rulemaking for Part 723
Date: Friday, August 28, 2015 2:40:07 PM

Dear Secretary of the Board Poliquin,

I am glad to hear that the National Credit Union Administration is looking for ways to let credit unions keep lending to their members.

Small businesses need more access to credit, not less. During the financial crisis, credit unions continued to lend to small businesses when other lenders - including many banks - pulled back lines of credit. As you consider the rule, please keep in mind that the credit union exists to provide credit to its members, and look for ways to improve the rule to ensure that continues to happen.

Sincerely,

Jason Werts
