Re: Comments on Notice of Proposed Rulemaking for Part 723, Member Business Loans

Dear Mr. Poliquin,

I am writing to you today in regards to the proposed changes to NCUA's Member Business Lending Rule. I applaud and appreciate The NCUA Boards desire to provide credit unions more flexibility in meeting the small business lending needs of its members.

Credit unions continue to demonstrate the ability to balance meeting member needs while at the same time protecting the assets members have entrusted to them. As a result, I respectfully request the NCUA Board adopt the proposed changes while at the same time supporting additional measures that will allow credit unions to expand small business lending options for their members.

Sincerely

Craig P. Roy
