Dear Mr. Poliquin:

When CUs are engaged in a daily, hand-to-hand struggle to help folks improve their lives, to encourage their hopes, to educate their kids, and to find a way to stretch shrinking paychecks to the end of the month: then yes, I get angry and incensed by silly people, sheltered from accountability and the hard realities of this desperate economic struggle who recklessly and insensibly make our tasks unnecessarily more difficult. RBC needs to go.
