Dear Mr. Poliquin:

The NCUA should reconsider implementing a two-tiered RBNW that is at odds with the agency's past interpretation of its powers, and which conflicts with the plain language and intent of Congress. Not only has an NCUA Board Member strongly dissented from the NCUA's proposed Rule, but the legal foundation the NCUA is relying upon is weak. Much of the weaknesses in the NCUA's arguments can be found directly in the memo prepared by the Paul Hastings, LLP, law firm, for the NCUA Board.

A handwritten signature in black ink, appearing to read 'Keith Miles', with a stylized flourish extending from the end.
