Subject: National Credit Union Share Insurance Fund Distribution

Mr. Gerard Poliquin
Secretary of the Board
National Credit Union
1775 Duke Street
Alexandria VA 22314

Dear Mr. Poliquin:

H & H Federal Credit Union Supports the closing of the Temporary Corporate Credit Union Stabilization Fund, transferring the funds to the funds to the NCUSIF, and paying out equity distributions to federally insured credit unions.

H & H Federal Credit Union agrees with NCUA's proposal to calculate the equity distribution using the average of insured balances over four quarter ends. We believe that with this method all FICU's are being treated equally, This method would also take into consideration the seasonal impact on shares.

Sincerely,

Terry Maxwell

President

H & H Federal Credit Union
