Mr. Board Secretary,

Regarding the proposal on the National Credit Union Share Insurance Fund Equity Distribution, it is my strong opinion and that of our Board of Directors, that the merging of the Stabilization Fund with the SIF is not in the best interest of credit unions. Additionally, we strongly oppose any increase to the NIL. It is our hope that the funds be paid out and should first go towards repaying those Insured Credit Unions that paid the Stabilization Fund assessments.

Thank you for the opportunity to comment.
