South Carolina Federal Credit Union appreciates the opportunity to provide comments for the proposed appraisal rule changes. South Carolina Federal is headquartered in North Charleston, SC with \$1.7 billion in assets and serving over 159,000 members.

We support NCUA's efforts to restructure and provide clarity of the existing rule to be more user friendly. Generally we support the proposal to provide regulatory relief. We also recommend NCUA review and increase the threshold for residential real estate loans along with providing latitude in accepting government agency property inspection waivers.

Thank you
