Section I: Steps Taken to Apply the Presumption of Openness

FOIA Training:

- 1. Did your FOIA professionals or the personnel at your agency who have FOIA responsibilities attend any FOIA training or conference during the reporting period such as that provided by the Department of Justice? Staff attended Department of Justice training and third-party vendor training on this subject.**

- 2. Provide an estimate of the percentage of your FOIA professionals and staff with FOIA responsibilities who attended substantive FOIA training during this reporting period. The FOIA officer and service center staff all attended substantive FOIA training during this reporting period.**

- 3. In the 2014 Chief FOIA Officer Report Guidelines, OIP asked agencies to provide a plan for ensuring that core, substantive FOIA training is offered to all agency FOIA professionals at least once each year. Please provide the status of your agency's implementation of this plan. The agency made substantive FOIA training available to all agency FOIA staff this year and plans to ensure such training continues to be offered to them.**

Discretionary Releases:

- 4. Does your agency have a distinct process or system in place to review records for discretionary release? NCUA follows the Attorney General's FOIA Guidelines encouraging agencies to make discretionary disclosures when information technically falls within an exemption but its disclosure is not prohibited by law and disclosure would not cause harm; and, to make partial disclosures whenever full disclosures are not possible. The FOIA Service Center regularly considers whether discretionary release is appropriate. The Chief FOIA Officer makes the determination if discretionary release is appropriate, after considering the applicable interests and determining the interests served by disclosure outweigh other relevant interests.**

- 5. During the reporting period, did your agency make any discretionary releases of information? Yes.**

- 6. What exemption(s) would have covered the material released as a matter of discretion? The deliberative process and attorney client exemption under (b)(5) and the supervisory related exemption under (b)(8) of the FOIA would have covered the released information.**

7. Provide a narrative description, as well as some specific examples, of the types of information that your agency released as a matter of discretion during the reporting year. As a matter of discretion, the agency released types of information where the public has a strong interest in the explanation of an agency policy and the agency's deliberative process. Specific examples from this reporting year include an outside counsel legal opinion and a list of home-based credit unions.

8. If your agency was not able to make any discretionary releases of information, please explain why. Not applicable.

Other Initiatives:

9. If there are any other initiatives undertaken by your agency to ensure that the presumption of openness is being applied, please describe them here. Live captioning also is provided during each meeting for the hearing-impaired.
