About this Document

A Privacy Impact Assessment (PIA) is an analysis of how PII is handled to ensure that handling conforms to applicable privacy requirements, determine the privacy risks associated with an information system or activity, and evaluate ways to mitigate privacy risks. A PIA is both an analysis and a formal document detailing the process and the outcome of the analysis.

Program offices and system owners are required to complete a PIA whenever they develop, procure, or use information technology to create, collect, use, process, store, maintain, disseminate, disclose, or dispose of PII. Completion of a PIA is a precondition for the issuance of an authorization to operate.

A PIA form (and an automatic workflow and streamlined review and approval process) has been developed for consistency and ease of use. The form, and additional guidance about PIAs, is available for NCUA staff on the Privacy team’s intranet site.

The Privacy team is responsible for reviewing and approving PIAs, preparing approved PIAs for publication, and otherwise managing the PIA process.

Basic Information about the System

System Name: DOL/ECOMP

Also, medical documentation is obtained to modify work assignments for the OWCP Claimant if applicable. Also, it is obtained to assist the agency and the OWCP Claimant in efforts to returning to work, if applicable.

Intended Use of the PII Collected

OWCP Claim Forms are required to assist in the managing of the OWCP Claim. Medical Documentation is obtained to modify work assignments for the OWCP Claimant if applicable. Also, it is obtained to assist the agency and the OWCP Claimant in efforts to returning to work, if applicable.

Sharing of the PII

The information is shared with the OWCP Claimant, Agency Officials, and DOL Representatives.

Minimization

*NCUA should only create, collect, use, process, store, maintain, disseminate, or disclose PII that is directly relevant and necessary to accomplish a legally authorized purpose, and should only maintain PII for as long as is necessary to accomplish that purpose.*
Types of PII Collected

On the DOL OWCP Claim Forms these are the PII's collected regarding OWCP Claimants - SSN#, DOB, Home and Work Address, Contact Information (Home and Work).

Individual Participation

*NCUA should involve the individual in the process of using PII and, to the extent practicable, seek individual consent for the creation, collection, use, processing, storage, maintenance, dissemination, or disclosure of PII. NCUA should also establish procedures to receive and address individuals’ privacy-related complaints and inquiries.*

Opportunity for Consent

Due to the nature of this system, there is not an opportunity to ask individuals to consent.

Procedures to Address Individuals’ Privacy Related Complaints and Inquiries

The Privacy team knows that complaints, concerns, and questions from individuals can be a valuable source of input that improves operational models, uses of technology, data collection practices, and privacy safeguards. To facilitate this type of feedback, the Privacy team has established the Privacy Complaint Process to receive and respond to complaints, concerns, and questions from individuals about NCUA’s privacy practices. The process is described on NCUA’s privacy website. The Privacy team appropriately records and tracks complaints, concerns, and questions to ensure prompt remediation.

Quality and Integrity

*NCUA should create, collect, use, process, store, maintain, disseminate, or disclose PII with such accuracy, relevance, timeliness, and completeness as is reasonably necessary to ensure fairness to the individual.*
Source of the PII

The employee/OWCP Claimant initiates the OWCP Claim and the information is routed to their supervisor (or designee) for certification and onward to the Agency FECA Reviewer (or designee) for the final review and certification before submission to DOL/OWCP for the final adjudication of the OWCP Claim.

Security

*NCUA should establish administrative, technical, and physical safeguards to protect PII commensurate with the risk and magnitude of the harm that would result from its unauthorized access, use, modification, loss, destruction, dissemination, or disclosure.*

Safeguards

A digital copy of OWCP Claim forms are kept in the DOL/ECOMP system for 5 years in accordance to Public Law (P.L.) 91-596 and 29 Code of Federal Regulations (CFR) 1904. Also, the Division of Benefits and Worklife retains hardcopies of relevant files, which are kept in locked file rooms and/or the Program Manager’s locked office.

This system is covered by DOL/GOVT-1.

Availability of Privacy Notices

The SORN and PIA for the DOL/ECOMP are publicly available on the privacy page of NCUA’s website.
Accountability

NCUA should be accountable for complying with these principles and applicable privacy requirements, and should appropriately monitor, audit, and document compliance. NCUA should also clearly define the roles and responsibilities with respect to PII for all employees and contractors, and should provide appropriate training to all employees and contractors who have access to PII.

Staff must protect all PII that they handle, process, compile, maintain, store, transmit, or report on in their daily work.

To protect PII, staff must use proper collection, storage, transportation, transmission, and disposal methods, must not access PII beyond what they need to complete their job duties, and must not disclose PII to unauthorized parties.
